CANYONEERS

CELEBRATING 40 YEARS OF NATURE OUTREACH

September 2014–June 2015

SAN DIEGO NATURAL HISTORY MUSEUM

Funding for **Canyoneers** is generously provided by The Samuel I. and John Henry Fox Foundation, The Canyoneers, and SDG&E Environmental Champions. The San Diego Natural History Museum's education programs are funded in part by the City of San Diego Commission for Arts and Culture.

OPEN TO THE PUBLIC

NO RESERVATIONS ARE REQUIRED

619.232.3821 | www.sdnat.org

Canyoneers are San Diego Natural History Museum volunteers trained to inspire appreciation of plants and animals in southern California. If you are interested in volunteering as a Canyoneer visit www.sdnat.org/volunteer or call the director of volunteers at 619.255.0245.

These programs are **interpretive nature walks**, not endurance hikes, and Canyoneers try to accommodate the desires and abilities of all participants. However, some of the walks can be taxing, especially those in the desert or mountains. The walks are ranked as follows:

HIKES ARE RANKED USING THE FOLLOWING SYSTEM

Difficulty Level

E Easy **I** Intermediate **D** Difficult **X** Extra*

*boulder scrambling, rough trail, low light, etc.

Mileage (rounded to nearest mile)

Elevation Change (gain or loss)

a = up to 200 ft **b** = up to 500 ft **c** = up to 1000 ft

d = up to 1500 ft **e** = greater than 1500 ft

EXAMPLES

Using the system above, Florida Canyon is E2a (easy, 2 miles, up to 200 feet elevation change). Kate O. Sessions Memorial Park is IX2a (Intermediate, 2 miles, up to 200 feet elevation change with X for sometimes rough trail).

Cancellations

Check the online Museum calendar (www.sdnat.org/calendar) for **cancellations** due to park closures or emergencies, or call 619.232.3821; choose option 4 then option 1. In the case of inclement weather, Canyoners still hike unless the trail is dangerous or impassable. Not all events are known before the start of the hike or the publication of the brochure. Barring unforeseen circumstance, a Canyoneer will always show up at the trailhead to inform potential hikers of cancellations.

Be prepared! Wear comfortable walking shoes and a hat. Hiking boots are recommended for desert and mountain hikes. Bring adequate water and food; even the short or easy hikes can demand liquid and energy resources. You may also wish to carry a jacket, binoculars, and field guides. Bring rain gear if rain is a possibility. If you would like to accompany a more leisurely group, alert the Canyoneer host when you sign in.

Please follow common rules of **courtesy and safety**. Do not litter the trail or smoke. Dogs or other pets are not permitted on the walks, as they interfere with observing wildlife. Please notify your guide if you decide to leave the group before a walk ends.

Group tours for scouts, senior citizen groups, clubs, and other organizations may be arranged by calling the Museum two weeks in advance at 619.255.0210. There is a nominal fee of \$2 per person. If your group of 10 or more plans to join a regularly scheduled Canyoneer walk on the weekend, please call 619.255.0210 at least two weeks ahead so arrangements can be made for sufficient guides. School group hikes are also available for a fee of \$2 per person. Call 619.255.0210 for information.

PARKING FEE INFORMATION

Parking fees have been instituted or increased at many hike locations. Such information, where available at the time this schedule was prepared, has been included. **Please check location websites or the phone numbers listed below for parking fee information as it is subject to change.**

County of San Diego

A \$40 annual parking pass waives the \$3 parking fee (per vehicle) in all San Diego County Regional Day-Use Parks (except for single park annual pass for \$25). Seniors (62+) and disabled persons park free if they have the free parking pass permit. Passes may be obtained at the County Parks and Recreation Office: 5500 Overland Ave., Suite 410, San Diego, CA 92123 or at the any of the County Parks where there is a ranger station. The office is open Monday–Friday, 8 AM–5 PM. You may purchase over the phone with a credit card by calling 858.565.3600. You may also purchase or obtain the free senior/disabled pass at all county parks.

Anza-Borrego Desert State Park

Generally, there are no day-use parking fees in Anza Borrego Desert State Park with the exception of the designated campgrounds (Bow Willow, Tamarisk Grove, and Borrego Palm Canyon Campground. Fees vary from \$5–8). There is also an overnight camping fee at these campgrounds. For more information, call 760.767.5311.

Cleveland National Forest

California National Forests, including Cleveland National Forest, require visitors to display a National Forest Adventure Pass in their vehicles when parked in a national forest including trailheads in high use areas. A \$5 daily pass or a \$30 annual pass valid for 12 months from date of purchase is available at Forest Services offices and ranger stations, Adventure 16, and REI stores, and vendors within the forest. For more information on specific areas that require this pass, call the Descanso District, 619.445.6235, or the Palomar District, 760.788.0250, or visit www.fsadventurepass.org.

Cuyamaca Rancho State Park

A parking fee of \$8 is in effect for Paso Picacho and Green Valley campgrounds. A special California Experience annual day-use pass is available for \$75. This pass entitles you to park in Cuyamaca Rancho State Park and other designated parks. Parking is free in “turn-out” sites where not prohibited. For more information, call 760.765.3020 or visit www.parks.ca.gov.
